MEDIA RELEASE

Updated Lap Records for new South Dakota Circuit 2.5 km (1.6 miles) layout

Updated on 12th May 2025

On Saturday 26th and Sunday 27th April 2025, the Guyana Motor Racing & Sports Club (*GMR&SC*), held its first circuit race event of the 2025 season. On Sunday 27th April, several lap records were reset during the course of the day. In some cases, these records were reset multiple times throughout the course of the day. Each reset is listed below.

Types of records:

1. **Lap Record** – these are records which are set by each individual class and are set **only** during an official race.
2. **Overall Track Record** – this is a record of the fastest time ever recorded at the track by any competing vehicle during any official session (practice, qualifying or race) using official timing equipment **only**.

The following records are official and verified by race day officials.
